

Health and Welfare Workshops

# Hobby Pig Keeping

## **ADAS invites you to the first *Defra-funded* meetings for hobby farmers with pigs.**

The workshops will provide small holders with easily accessible, relevant practical and technical training delivered by experienced pig specialists with a recognised track record in small holder sector training; to increase the health, welfare and productivity of the small pig herd.

Topics covered:

- *Pig Welfare legislation – 5 Freedoms (Animal welfare Act 2006)*
- *Biosecurity, disease control and effective quarantine*
- *Pig health, vaccinations and worming, fallen stock*
- *Movements, ID and legislation*
- *Feeding and legislation*
- *On farm record requirements*

The workshops will be held during the day (10.30 am – 1.30pm) unless otherwise stated, in January and February 2012 and are free to all small scale pig keepers.
